Profile

Experienced Website Developer and Designer with over 10 years in the field, specializing in creating engaging and user-friendly e-commerce websites using platforms like WooCommerce, Shopify, and Magento. I bring proficiency in the Adobe Suite for graphic design, along with skills in HTML, CSS, JavaScript, React, Node.js, PHP, and MySQL, RESTful API integration. Throughout my career, I've successfully blended creativity with technical expertise, ensuring visually appealing websites that drive user interaction. I thrive on collaborative efforts, problem-solving, and a commitment to delivering high-quality solutions.

Experience
